

Dear Parents and/or Guardians:

The funding for many public school programs is based on the percentage of households qualifying for free and reduced priced meals. Hartville R-II is participating in a program allowing all students to have free breakfast and lunch in the 2021-2022 school year. We do not know if this program will be offered in future school years. To help secure funding in other programs and protect future benefits, please complete the free and reduced meal application. Below are the steps you will need to take, in order for your ONE application for your entire household to be processed.

Step 1. Visit the link provided by your school district to access you Freedom Café Parent Portal. <http://mychalkablecafe.com/hartville>. You can also access this link on our school website at hartville.k12.mo.us.

Step 2. Click on the “Sign Up” link (below the login button) to create an account.

Step 3. Fill out all sections of the registration form and click the “Register” button to create your account.

Step 4. Verify your email you provided during registration. Once you have verified your email, please visit the above link again (<http://mychalkablecafe.com/hartville>) and log in.

Step 5. The dashboard you see after logging in will provide you with a snapshot of your child(ren)’s information once you have tied them to your account. To initiate the link with your child(ren), click the “Add Student” link.

Step 6. Once you have linked your child(ren), you can view their transactions by clicking the “ViewTransactions” button. Clicking on their name will allow you to turn on/off the option to purchase “A La Carte” items at their school and provide their school with dietary notes/allergies.

Step 7. You can begin the process of submitting a Free and Reduced Lunch Application by pressing the “Submit Application” option. You will receive step-by-step instructions on how to submit an application from that point forward.
