Summer School Students and Parents,

Due to upcoming construction on the main entrance doors, students will now enter and exit through the west entrance elementary doors during summer school hours. The doors directly across from the baseball concession stand is the approximate location.

Parents picking up and dropping off students each day of summer school, will form a line where the buses park during the regular school year. Once the student has been dropped off or picked up, please turn left and head South down the gravel entrance toward 38 Hwy.

Student drivers please park in the lower parking area and enter through the west entrance elementary doors.

Lastly, parents wishing to check-in or check-out students will need to call the school at 417-741-6223. You can reach the summer school secretary Mrs. Maryann Potter at Ext. 100 or Mrs. Tori Delcour in the Central Office at Ext. 300. Students will also need to enter through the west entrance elementary doors in this instance.

Thank you,

Brett Reed

Summer School Director
