

IMPORTANT ANNOUNCEMENT REGARDING HARTVILLE HOME BASKETBALL GAMES

Hartville R-II School District is in the process of adding the FEMA Shelter and this project is currently under construction. This project will cause some changes and inconveniences to our game day schedule. Please note the following changes below.

- Parking will be limited. Please park in paved parking lot on South side of the school or in the gravel parking area below the paved parking lot also located on South side of School. Limited parking will be available in North gravel parking lot behind the school, and on far East paved parking area outside of fenced in FEMA shelter. Very limited parking is available on West side of School, but keep in mind that your vehicle could be hit by foul balls during baseball games and practices. Park on the West side at your own risk.
- Admission and Entrance for all players and spectators will be on the West Side Entrance located directly beside the baseball concession stand. Admission will be taken in the central office lobby directly down the hallway after entering building. Admission is \$2.00 for students and \$3.00 for adults. Entry will be locked through High School Hallway (Both Doors and Chain barrier) and Old Gym Entrance.
- We appreciate your patience while we work through the construction process.

Brett Reed

Athletic Director
